Dear Councillor

Tesco plans for Manningtree

This letter is to express my concern at the proposed plans to open a large Tesco store in Manningtree. As a local resident, I am very worried at the impact that this will have on our town - traffic is already a problem, and it will become a lot worse with an estimated 766 extra journeys at peak time. (as stated in Tesco's application). Pollution will increase, the local environment will be compromised and my reasons for living in this area will disappear. I feel it is important that you are aware of my fears, and will express these as appropriate.

Yours sincerely
